O R D E R

On July 11, 1984, Henderson-Union Rural Electric Cooperative Corporation ("Henderson-Union") filed a motion requesting a 90-day postponement of the hearing scheduled for August 9, 1984, and waiving for 90 days its right under KRS 278.190 to place its proposed rates into effect at the expiration of the 5-month suspension period. Such a waiver would extend the suspension period from October 1, 1984, to January 1, 1985. The grounds for the motion are that Henderson-Union's application is a flow-through rate adjustment to recover any increase in charges from its wholesale power supplier, Big Rivers Electric Corporation, and that since the Big Rivers rate case schedule has been deferred for 90 days, it is appropriate to defer Henderson-Union's case.

Having considered the motion and being advised, the Commission is of the opinion and hereby finds that good cause exists

to grant a postponement of the hearing scheduled for August 9, 1984.

IT IS THEREFORE ORDERED that the hearing scheduled on August 9, 1984, be and it hereby is rescheduled on October 24, 1984, at 9:00 a.m., Eastern Daylight Time, in the Commission's offices in Frankfort, Kentucky.

IT IS FURTHER ORDERED that the Commission's Order of Procedure entered April 11, 1984, wherein the proposed rates, charges and classifications for electric service were suspended for 5 months on and after May 1, 1984, be and it hereby is modified pursuant to Henderson-Union's agreement, and the proposed rates, charges and classifications for electric service be and they hereby are suspended until January 1, 1985.

Done at Frankfort, Kentucky, this 13th day of July, 1984.
